

## Townsend Historical Society 29<sup>th</sup> Annual Fall Arts & Crafts Fair 2010

Located on the green in the center of historic Townsend, MA at the junction of Routes 119 and 13. Food and Snacks are available. Restroom facilities on site.

Space Allocation: Space priority is given to the artist or crafter that rented the space the previous year. To reserve a particular space, your application with your payment must be received by September 1, 2010. After September 1, spaces will be allocated on a first come first serve basis. Spaces are 10' x 15'. There are a limited number of shady and electrical spaces

This is a two day fair. The fair hours are from 9 AM to 4 PM on Saturday - 10 AM to 3 PM on Sunday. You must check in by 8 am on Saturday and by 9 am on Sunday. If you are not able to come either day of the fair, we would appreciate a phone call, 978-597-2106 (Main Office) or 978-597-8842 cell 508-341-3098 (Karen & Jim Fair coordinators). If you need to leave early, please let us know ahead of time.

A picture of your art or craft must accompany all new applications. New artists/crafters will not be allowed into the fair unless we have been able to approve your product. The product you are selling must be handcrafted in some way by you. Although we do enjoy going to "Flea Markets" ourselves, this fair is not a "Flea Market". We do allow from time to time some vendors that do not handcraft their items, but only because they fit into our theme of a New England Fair.

All applications, new and old, must list in general terms (wood, painting, quilts etc.) all the products you intend to sell. This is for your own benefit as well as others so we will not place you next to other vendors selling the same product.

This fair is scheduled for Rain or Shine. No refunds will be issued after September 1st, 2010. Please come prepared for inclement weather. No tables, tents or extension cords are provided.

\*Confirmation will be made by phone, e-mail and/or postcard so it is important that we have all this information filled out completely on the application.
